

AGAIN

**Bold Yet
stackable**

Alexander Gufler (IT)

EN

The Again Collection, designed by Alexander Gufler, uses bentwood where it is not expected. The chairs and barstools prove that the traditional woodbending technique knows no bounds, even in forms usually reserved for metal furniture. This product family features precision craftsmanship, solid construction, comfort and a number of upholstery options – all with a stackable design. This is a collection you're sure to come back to again and again.
