# Glass Up

The glass door of the Glass Up wardrobe creates a perfect balance between open and closed space. It gives the wardrobe a light touch that is both visually appealing and functionally advantageous. Even when the wardrobe is closed, the glass allows a glimpse of its contents without opening the doors.

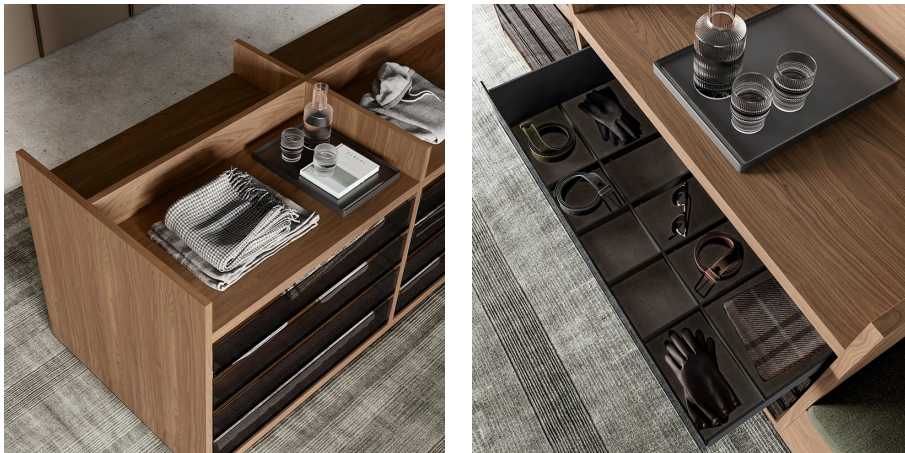

## LIGHT THAT EMBRACES ELEGANCE

Interior LED lighting plays a crucial role to enhance the aesthetics of the Glass Up wardrobe: a way to create atmosphere and give personality to the space. The diffuse and uniform light highlights every detail of its interior, bringing out colours, fabrics and textures.

## THE HEART OF THE ROOM

The island that complements wardrobes and walk-in wardrobes is the beating heart of the cloakroom. It stands proudly in the centre of the space, serving as a visual and functional focal point. It can be fitted with wooden or glass drawers and shelves and can be combined with the bench.

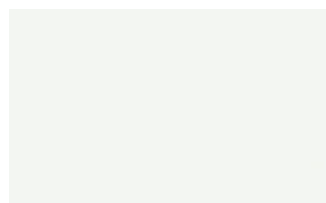

# FINISHES

Choose from a variety of available door options, matte lacquer, essence, transparent glass, fabric effect glass or mirror, and match your style.
