

Wardrobes

Ritmo

With a sophisticated interplay of light and shadow, interrupted only by the full-height metal profile that acts as an elegant handle, the Ritmo wardrobe is a statement of strict linearity and refinement in interior design. Ideal to enhance a room and draw attention to itself.

CANNETÉ: A DISTINCTIVE DETAIL

What makes Ritmo unique is its canneté texture, which gives the wardrobe an extraordinary aesthetic rhythm. This sophisticated texture creates an interplay of light and shadow that gives life to the wardrobe. Every detail has been carefully designed to create a visual experience that does not go unnoticed.

UNPARALLELED STYLE COMBINATIONS

For an extraordinary and coordinated design, the Ritmo wardrobe can be combined with the Scena or Glass All walk-in closet, creating unparalleled style combinations for impeccable and functional aesthetics. In this picture Ritmo door in heat-treated oak canneté decoration combined with the Glass All door with black frame and grey transparent glass.
