BONALDO
Basket

The Basket unique bed headboard has been designed by calibrating large shapes with soft, enveloping lines. This double bed is covered in fabric, leather or eco-leather, completely removable.
There are many variations to the design: in addition to Basket, there is the Basket plus model, featuring sophisticated tucks on the headboard.
The Basket, and Basket plus are also made in the "open" version: the practical unit provides valuable additional space for storing covers, cushions and everything necessary for the bedroom.
