## Kagura

Designer: Toshiyuki Yoshino

Created by the Japanese designer Toshiyuki Yoshino, the Kagura chair has a rigorous soul and an elegant presence. Its solid metal frame, entirely clad in leather, celebrates the purity of the forms and the excellence of the materials. The stitching and the contrasting black edge outline its profile with sartorial elegance, enhancing its essential silhouette with a sophisticated interplay of details. Every line and corner of the Kagura chair expresses a timeless aesthetic in which the material itself becomes language. Perfect for the dining area, it embodies a measured and stylish luxury, consisting of balance, character and a beauty that reveals itself over time.
