

BONALDO

Mida too

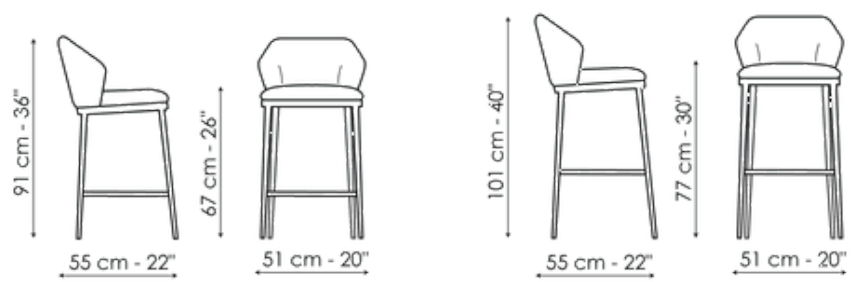

Designer: Gino Carollo

The Mida collection is named after the mythical King Midas who turned everything he touched into gold. Similarly, the Mida too bar stool with armrest adds a touch of style to any space, featuring a backrest with a generous, enveloping shape and a metal base that gives the structure a harmonious design. The soft padding of the seat and backrest, combined with the exquisite upholstery offered by Bonaldo, make Mida too the perfect element in front of a bar top.

The Mida collection includes a chair (Mida), a chair with armrests (Miss Mida), a version with a wider seat (Mida large) and a stool (Mida too) in two different heights.
