

Up-chair, il bestseller nato nel 2012 ha ora una nuova versione. Alla scocca in materiale tecnico soft touch è stato abbinato un bracciolo in legno massello di noce canaletto. Un materiale innovativo ed un dettaglio in legno dalla lavorazione artigianale hanno creato un vero capolavoro.

Up-chair, the bestseller created in 2012 has now a new version. The shell in the technical soft touch material is enriched with wood armrests in solid American walnut or oak. An innovative material and the craftsmanship in the wood manufacturing have created an authentic masterpiece.
